

FAMILY PARTNERSHIP

Cecelia Wangeci Waweru

Family Members: Cecelia, Jewelyn (13), Kelvin (11)

Their Story: Cecelia is a bighearted woman who is fighting to overcome the challenges life has thrown at her family. At 42 years old, she has been forced to act as the matriarch of her family, bearing responsibility for her siblings and their children. Her home is a humble iron sheet house, in which she currently houses three of her siblings and their children. Cecelia also took in her nephew when his father (her brother) died three years ago.

The entire family depends on the income she generates from her beadwork, which is inadequate to meet their basic needs. However, Cecelia is resolved to keep the family united.

Goals for the Future: Cecelia hopes to open a greengrocery shop, which will provide her with supplementary income and enable her to better provide for her large family.

Your support of \$50/month for three years will provide financial training, health and hygiene education, parenting classes, and counseling. It will also cover instruction, support and mentoring to establish and run a small business to secure a bright future for this family.
