

# FAMILY PARTNERSHIP

## Jane Njeri

**Family Members:** Jane, Geoffrey Muna (18),  
Jacinta Mweru(15), Francis Ng'ang'a (13),

**Their Story:** Jane is a widow and mother whose hard face tells the story of her tough life. Three of her six children solely depend on her as they are still in school. One of her older sons aged 26 also relies on his mother since he suffers from mental illness, which is the result of years of drug abuse.

**Goals for the Future:** Jane earns her livelihood by scavenging for recyclable materials. While she began this activity as a means for survival, she has grown to see herself as a nature champion. She realizes that every plastic and glass bottle she collects for recycling helps to preserve the earth. Her dream is to expand her recycling business.

Your support of \$50/month for three years will provide financial training, health and hygiene education, parenting classes, and counseling. It will also cover instruction, support and mentoring to establish and run a small business to secure a bright future for this family.
