

FAMILY PARTNERSHIP

Maximila Maloba Ihachi

Family Members: Maximila, Kirkfranklin Mukabwa (17),
Tiffany Musanga (13), Rawlings Ihachi (11)

Their Story: Maximila is a 42-year-old widow with a determined face and a host of dreams. She is proud to have raised her three children despite the challenges of being a single parent. Maximilla caters to the needs of her family by selling roasted groundnuts. While she puts in as much effort in her business, she laments that she can only make a paltry income that doesn't allow her to provide for her family adequately.

Goals for the Future: Maximila dreams of owning her own hotel, which will allow her to use her cooking skills to provide affordable meals and earn a decent income. She plans to work her way there by first developing a small poultry start-up.

Your support of \$50/month for three years will provide financial training, health and hygiene education, parenting classes, and counseling. It will also cover instruction, support and mentoring to establish and run a small business to secure a bright future for this family.
