Eskedar Getnet

Family Members: Eskedar
Dagmawit (son, 15)
Dahlak (daughter, 14)
Naod (son, 2)

Their Story: Eskedar is a 28 year-old single mother struggling to feed and provide basic necessities for her three children. With no support, she feels lonely and hopeless.

Goals for the Future: Eskedar dreams of roasting and brewing local coffee at a small roadside stand or kiosk. This would allow her to support herself and her children. The business training and monthly support provided by the ABF4K program can help turn Eskedar's dream into reality and enable her to create a new, hopeful path for her family.

Your support of \$50/month for three years will provide financial training, health and hygiene education, parenting classes, and counseling. It will also cover instruction, support and mentoring to establish and run a small business to secure a bright future for this family.
