Family Members: Majuma
Ruth (daughter, 16, not pictured)
Phillip (son, 9)
Blessings (daughter, 1)

Their Story: Majuma is a 39 year-old widow with three children. Her husband, and the father of her two older children, died expectedly several years ago. The father of Majuma's 1 year-old daughter broke off the relationship when he found out she was pregnant. In order to support her children, Majuma currently runs a mini grocery stand in the Dandora community of Nairobi, Kenya.

Goals for the Future: Majuma would like to expand her existing grocery business to include fresh chicken and fish. Monthly support and training provided by the ABF4K program will help enable Majuma to create financial stability for her family.

Your support of \$50/month for three years will provide financial training, health and hygiene education, parenting classes, and counseling. It will also cover instruction, support and mentoring to establish and run a small business to secure a bright future for this family.
